

Canadian Council on Invasive Species (CCIS)

MEMBERS/
PARTNERS

CCIS works collaboratively across jurisdictional boundaries to reduce the impact of invasive species across Canada.

1. BRITISH COLUMBIA

Invasive Species Council of British Columbia

Ph: 250-305-1003 or
1-888-933-3722
www.bcinvatives.ca
info@bcinvatives.ca

▶ Through province-wide cooperation and coordination, the ISCBC works to minimize the negative ecological, social, and economic impacts caused by invasive species in BC.

Province of British Columbia
www2.gov.bc.ca/

2. ALBERTA

Alberta Invasive Species Council

Ph: 587-999-0954
www.abinvasives.ca
info@abinvasives.ca

▶ The AISC fosters awareness and understanding of invasive species and encourages action to help detect, prevent, and manage invasive species. It fosters and facilitates partnerships and dialogue between organizations and stakeholders, and serves as a source of credible information and resources on invasive plants in Alberta.

3. SASKATCHEWAN

Saskatchewan Invasive Species Council

Ph: 306-668-3940
www.saskinvasives.ca
info@npss.sk.ca

▶ The Saskatchewan Invasive Species Council enables collaboration to guard Saskatchewan against invasive species by providing leadership and expertise as well as a forum to engage and empower citizens to take action on invasive species issues.

4. ONTARIO

Ontario Invasive Plant Council

Ph: 705-748-6324 ext. 243
www.ontarioinvasiveplants.ca
info@oninvasives.ca

▶ The Ontario Invasive Plant Council is a non-profit, multi-agency organization that facilitates a coordinated response to the threat of invasive plants by providing leadership, expertise, and a forum to educate, motivate, and empower organizations and citizens in Ontario.

Province of Ontario
www.ontario.ca

5. QUEBEC

Québec Invasive Species Council

Ph: 450-467-6921
CQEEES@gmail.com

▶ The Québec Invasive Species Council (QISC) is a nonprofit organization that raises awareness and understanding of invasive species. The QISC supports IS early detection, prevention and management initiatives. The Council promotes networking and coordination of many organizations involved in IAS issues and biodiversity protection.

6. NEW BRUNSWICK

New Brunswick Invasive Species Council

Ph: 506-450-6010
www.nbisc.ca
nb.invasive@gmail.com

▶ The New Brunswick Invasive Species Council vision is to work together to ensure New Brunswick's environment, economy, and social interests are protected through the prevention, early detection, and education and awareness of invasive alien species through management practices in order to control and eradicate further spread of invasive alien species.

7. PRINCE EDWARD ISLAND

Prince Edward Island Invasive Species Council

Ph: 902-892-7513
www.peiinvatives.ca
peiinvatives@gmail.com

▶ The PEI Invasive Species Council is a non-profit group of individuals and organizations focused on a framework for the management of invasive species that threaten PEI's environmental, economic and social health.

Province of Prince Edward Island - www.gov.pe.ca

8. NOVA SCOTIA

Province of Nova Scotia
www.novascotia.ca

9. NORTHWEST TERRITORIES

Government of the Northwest Territories

Ph: 867-920-6327
www.gov.nt.ca • suzanne_carriere@gov.nt.ca

▶ The Department of Environment and Natural Resources promotes and supports the management and sustainable use of renewable resources, the protection and conservation of the environment and wildlife, including the management of invasive alien species, for the social and economic benefit of all present and future residents of the Northwest Territories.

10. YUKON

Yukon Invasive Species Council

Ph: 867-335-0827
www.yukoninvasives.com
info@yukoninvasives.com

▶ The Yukon Invasive Species Council is a non-profit organization that deals with invasive species in the Yukon. YISC addresses the threats posed by invasive species through prevention, early detection and rapid response (EDRR), control and management, research and education.
